

Approval of Date for Next Board Meeting

Governing Board meetings are regularly scheduled for the second Wednesday of each month. This would place the next meeting on January 9, 2008. As there will be seven school days between December 12, 2007 and January 9, 2008, it is the recommendation of the Chairperson that the Board schedule the next regular meeting for February 13, 2008. If items requiring prompt attention arise in January, a special meeting may be called.
